Subject: \$10,000 FINDER'S FEES

[fname],

My good friends, Peter and Jerry, have helped their students buy and sell **over 100 million dollars** worth of real estate.

And with their new program, you can be a part of the **next** \$100 million.

They're allowing a small group of people into their "next big thing."

They call it the "Quick Flip Money Machine."

You find a deal that meets their criteria for a good "fix and flip" and **they cut you a check for \$10,000 as a finder's fee.**

They handle the rest...

- They manage the rehab.
- They market and sell the property.
- They fund the deal (they have access to LOTS of CASH).

And here's the best part...

Peter and Jerry will show you how to get Realtors to bring these deals to you for FREE.

The property owners will pay the Realtor's commission when the deal closes... so it doesn't cost you any money out of pocket to find these deals!

[Click here to watch a video that explains how it all works.](#)

You don't need any of your own money or credit (or even any experience with real estate) to do this... and it's FAST. You can make your first \$10,000 in the next 30 days.

[Click here](#) to watch a short video about "Quick Flip Money Machine" and how you can access a **free training webinar** that will show you exactly what kind of properties they're looking for... and how to separate the good deals from the bad using a piece of software they developed called the "Deal Genie."

The "Deal Genie" will literally give you a "green for go" if it's a good deal, so the whole process is automated and foolproof.

As you know, there are **tons** of good prospective fix & flip deals out there in today's market.

You can start locally and work outwards. Peter and Jerry's company is set-up to do rehabs in all 50 states so you are NOT limited to your state or local area.

Subject: Get paid \$10k to find ugly houses

[fname],

Yesterday I told you about how you can...

Make \$10,000 (or more) In The Next 30 Days Finding "Fix and Flip" Deals... For A Nationwide Rehab Company

Today, I want to explain WHY this company (run by my good friends Peter and Jerry) will pay you \$10,000 instead of just finding the deals themselves...

They have systems in place to fix-up and sell properties all over the country quickly and efficiently. Their biggest challenge is finding enough deals for their fix and flip "money machine."

Since their profits on these deals are **substantial**, they will gladly pay you \$10,000 just for finding good “fix and flip” deals.

Because they have access to LOTS of CASH to put up the money for these rehabs, they have all the pieces in place once a good deal is brought into the system.

[Click here](#) to watch a short video about how it works.

You’ll also be invited to register for a **free training webinar** that will explain how you can get in on the ground floor of this life-changing opportunity.

Register now, before they stop taking “finders” in your area.

Subject: [fname], your check for \$10,000 is on its way...

[fname],

Very soon, you could be getting an email with a Subject line like this one.

All you have to do is find a “ugly” house – a good fix and flip deal – and bring it to my good friends, Peter and Jerry.

They have the CASH to fund the deal and the resources to fix it up and sell it quickly.

Their profits on these deals are so good, that they’re willing to cut you a check for \$10,000 just for finding a deal that meets their simple criteria.

They have even developed a piece of software called the “Deal Genie” that will tell you when you have a good deal – so you don’t have to waste any time submitting bad deals.

You simply enter in some basic information about the house into the “Deal Genie” and it will give you a “green light for go” if it’s a good deal.

Subject: Warning: Final webinar for getting paid to find fix and flip deals

[fname],

If you missed the webinar earlier this week, this is your FINAL CHANCE to register before we shut it down.

My friends, Peter and Jerry, are looking for a small group of "finders" to bring them good "fix and flip" houses.

You bring them the deal and they take it from there.

And you get paid \$10,000 for each house you find.

Peter and Jerry have an excess of cash right now, and need more good deals to work on. So they're willing to pay a \$10k finder's fee for deals that meet their criteria.
